## 2008 Pacific Southwest Cup

Saturday, August 30<sup>th</sup> – Monday, September 1<sup>st</sup>, 2008  
Dallas, Texas

**Golf Course**  
**THE TRIBUTE GOLF CLUB**

The Tribute Golf Club brings a true Scottish links-style course to North Texas. Ranked as one of Golf Digest's Top 100 Public Courses in America for 2007-2008, this unique design packs a lot of history into one unforgettable round of golf. Imagine the historical shots hit during The British Open as you play the most famous holes from St. Andrews, Carnoustie, Royal Troon, and Muirfield plus others. You'll experience everything from the wide sweeping fairways to the tall fescue to the howling winds. The Tribute lives up to its name as a real tribute to the history of golf.

The incredible course isn't the only thing that makes The Tribute a special place. The 33,000 square foot English Tudor Clubhouse welcomes you as you pull into the property. You can then go over to huge driving range and short game area. And don't be alarmed if you hear bagpipers off in the distance. Everything together makes The Tribute more than just a round of golf – it's an experience.

## **TOURNAMENT RULES & POLICIES**

### **Tournament Rules**

Play is governed by the United States Golf Association (USGA) Rules of Golf & Decisions and amended. Any dispute, question, claim, or concern will be determined by the Pacific Southwest Cup Tournament Committee.

### **Local Rule**

All local rules of The Tribute will be in effect. In matches that are already won before the last hole, players may continue to complete the round.

### **Age Exemption**

Based on AAU (Amateur Athletic Union) Rules and Regulations used in other junior national championship, each team may have up to 2 players with age exemption whose birthday falls between July 1<sup>st</sup> and July 31<sup>st</sup>.

### **Advice Rule**

Players may give or ask for advice from his/her teammate. Team Captain and Assistant Team Captain may advise players before, at the turn (to the back nine) or after the round. Team Captain and Assistant Team Captain are not allowed not to interfere during rounds.

### **Calling Penalties**

Penalties should be called by the players only -- not the coach and/or spectators. Players with caddies -- if the players didn't notice the problem, after they left the hole, the caddies can bring up the violation and talk to the player who violated it (to teach him/her) and give him/her a warning . . . the second violation will be a penalty.

Team coaches will make up the rules committee. When a penalty is given and the players do not agree, a member of the rule committee should be called upon to settle the matter. A coach from another team should settle the matter (for example, if there's a problem between the match of Team A and Team B, the coach of Team C could be called upon to settle the matter) so no team feels that they are in a disadvantage position and that the coach (a member of the rule committee) is making a fair decision. A list of contact number of the member of the rules committee will be distributed to all coaches, players/caddies in case a problem arises.

### **Spectators Policy**

It is very important that all spectators honor the "Spectator Guidelines" set forth by the Tournament Committee. We remind all spectators of the following:

- Spectators must remain on the cart path or in the rough at all times (remain at least 25 yards away from the player and 10 yards from the putting green).
- Spectators are NEVER allowed in the fairway.
- Spectators may NOT give players advice or assistance during the round.
- All forms of communication may NOT be used as it may be construed as advice and subject to a player's lost of hole.
- Golf carts will be allowed for spectators
- Spectators should keep even or in front of the group they are watching as to avoid interference with players in the trailing matches.
- Any parent, or guardian who behaves in conduct unbecoming may be asked to leave

### **Golf Carts**

Carts will be available to rent for a fee. Caddies are allowed to ride during the round. Players 12 and under can ride **between** holes. After reaching the tee, the player **cannot** ride and must walk the entire hole.

### **Caddies**

Caddies will be permitted for all players. A player is only allowed one caddie at a time. Players may carry their golf bags or use pull carts.

### **Dress Code**

Team uniform must be worn at all times during the competition. Any denim or cut-off's are prohibited. Shirts must be worn completely tucked in. All hats with bills must be worn with the bills forward. Players not appropriately attired will not be permitted to play.

### **Inclement Weather**

The Pacific Southwest Cup Tournament committee makes all decisions regarding weather delays and/or cancellations on site the day of the event.

### **Code of Conduct**

Violations of the code of conduct include: abusive language, club throwing, cheating, disrespect of volunteers or officials, abuse to the golf course or the facility, littering, or any other conduct unbecoming of tournament participation. Violations result to a lost of that hole.
